### Testimonials

"James doesn't have one golf swing that fits all, each person has abilities and limitations and he structures the lesson to fit the student not the student to fit the lesson."

*Steve Rauschkolb*

"James has the ability to simplify the golf swing so that the goal of the lesson is easy to understand. He provides a report at the end of each lesson to remind me what we worked on and where to focus my practice".

*Craig Higgins*

"James with his quiet, calm, yet technically sound instruction has helped me tremendously. Most importantly, James has kept it pretty simple in his approach. Focus on the key fundamentals".

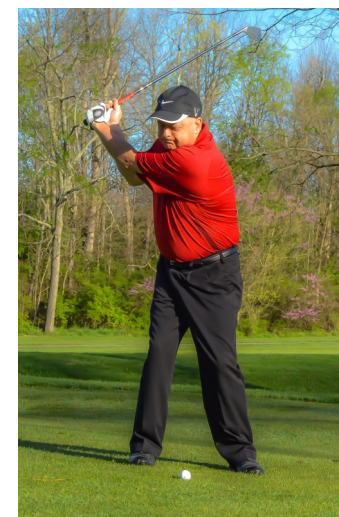

*Jim Savage*
